**Con voi, in movimento
When you move, we move**

ROLLON è un Gruppo internazionale che opera dal 1975 sul mercato della movimentazione lineare industriale. ROLLON vuole essere per i suoi Clienti "l'idea" che aiuta a semplificare le loro attività, fornendo soluzioni che permettono di soddisfare le più svariate esigenze, con una produzione efficiente e a costi competitivi, in grado di personalizzare il prodotto in funzione dell'applicazione, tanto da renderlo se necessario "unico per ciascun Cliente".

ROLLON has been a leading international linear motion manufacturer since 1975 providing linear bearings, actuators and linear motion products that surpass the needs of its industrial customer base. ROLLON's family of products provides high quality, cost-effective answers to standardized industry requirements. The biggest added value is given by the ability to personalize the product according to the application so that if needed, the product becomes "unique for each customer".
